

WAY TO GO **Film Production**

Week 5 July 8th through 12th
Class on Monday – Wednesday – Friday 9:00-12:00
Ages: 4th Grade – 10th Grade

This camp is an introduction to all phases of production in film. Students will learn the practice in theory of filmmaking including; screenwriting, producing and on set shooting. They will also learn different editing styles to gain a better understanding of how images are constructed in a sequence to create a story. Students will complete fun in-class activities and projects. To further enhance projects, students will record their own footage to create their personalized edits. Students will also be introduced to sound editing and other film concepts.

Students will join our Way to Go regular camp before 9:00 and after 12:00, including our field trips on Tuesdays and Thursdays and swimming on Wednesdays.

An I-Pad is required for this class
