Spanish Immersion Summer Program is designed to boost the Spanish speaking skills of children entering Grades K-4

Our program consists of 3 hours per day (Monday-Wednesday-Friday) of hands-on enrichment activities, as well as traveling through countries in Latin America and Spain without leaving US. History, culture, food, music, art and more will be taught about the country of the week. Every week students will practice the Alphabet, colors and numbers. Spanish will be spoken in class and songs, poems, music and dance will be a part of it too.

Our goal is to provide your child with enough challenging activities designed to help them grow their Spanish skills and enrich their cultural knowledge around the Spanish Speaking World.

Students will join our Way to Go regular camp before 9:00 and after 12:00, including our field trips on Tuesdays and Thursdays and swimming on Wednesdays.

\$450 per week (Monday through Friday)  
Fee includes extended care from 7:30 am – 6:00 pm
