

WAY TO GO WL 2019-2020

After-School Interactive World Language Program

Wednesdays from 1:40-2:40

Most teachers have been a part of the Ohlone Community for more than 15 years

Way to Go Programs is pleased to continue offering World Languages after-school, an interactive language program at Ohlone Elementary School. Through songs, skits, crafts, games and foods, students will explore the culture and language of their choice in a fun, engaging environment, with excellent, experienced language instructors. An introduction of basic grammar and vocabulary will be a part of the classes, including short sentences and phrases. Some classes may offer verb conjugation and sentence structure giving the student a great foundation for future Middle School and High School classes

- Classes will run with minimum 6 students, and cap at 12 students K-2 and 14 students 3-5
- Space is limited, so please register early to secure your chosen language
- You are committed to the whole year, from September 11- May 13
- Each session introduces new material, so students keep learning language all year!
- Parents can choose to pay one session at a time (3 payments) or 1 whole payment with a 10% discount. If spots are available in a class other families can join at session 2 or 3 accordingly.
