

WAY 2 GO

Summer

MISS. VIOLA

Earned a degree in Early Childhood Education, and is currently working towards her teaching credential. This will be her second summer at Way to Go. Outside of work, she loves to cook and read, and she is actively serving in children's ministry at her church. She is super excited to see what God has in store for us!

Our amazing body! & Science World

wk4

Campers will explore the wonders of the world through experiments and creative arts. Build your body, mind, and heart through fun games and challenging projects.

Rain Forest Adventures:

wk5

The Rainforest is an amazing and mysterious place! Find out what it is like by visiting animals who call it their home. Enjoy all the colors, sights, and smells.

Under the Sea:

wk6

From land to sea, go under the sea with a fun week of ocean-themed activities and crafts. Campers will learn about different ocean animals and environments, and they will experience an entire ocean in a bottle. Spend the week at sea with Way to Go
