

# Way to Go ONLINE Science in Spanish 2020 Healthy Kids

## About Instructor

### Mary Carmen Khouri

I am originally from Pucallpa, a city in eastern Peru, and I graduated from the Universidad Nacional de Ucayali with a Bachelor’s degree in Education and a specialty in natural sciences. I taught for three years subjects such as biology and chemistry to a variety of age groups, and I moved to California in 2019 to marry my fiancé I have been a teacher’s aide in the Way to Go After School Spanish Immersion Program. In my spare time, I like to give massages and watch K-dramas with friends. I am very excited to be a teacher at this summer’s Way To Go camp!
