The Way to Go Spanish Immersion Program commits to enforce our *Healthy Kids* theme to help children build and maintain healthy bodies, minds, and souls. Our goal has always been to minister to children through academic and recreational activities to enrich their minds, hearts...in short, the whole child, The Way to Go!

Native Spanish Speaker Instructors will speak to the children in Spanish and will encourage them to speak while in the program. Games, Art, Reading, Playing, Science, Music, Nutrition, Cooking and more will be a part in our daily activities. Special events and Festivals will also take place throughout the year.

During Shelter in Place we are extending our hours to help during the earlier afternoon hours to those working families in need, or until school is back in session

Before the 3:00 pm shift, students must bring their electronic device and all materials needed for closing school, including headphones. Each group of 8 will have an adult teacher with them to supervise and assist when needed. Afternoon starting at 3:15 will transition into our Spanish Immersion activities and will vary from week to week. Fun Outdoor physical activities will be included.
