CDC Protocols will be implemented and parents will be informed of requirements prior to starting camp. Way to Go was open last Summer 2020 and had zero cases of Covid-19. The safety of your children and our staff are our number one priority. Activities listed are just some of what happens at Way to Go, many more are added daily.

Spanish Immersion Camp will follow same theme activities in Spanish with their respective and separated group lead by native speakers and experienced instructors. Spanish group will be joining all special activities, including Obstacle Course Training
