More information call Luckie Leiva 408-829-2460  
or email: [luckie.leiva@waytogoprograms.com](mailto:luckie.leiva@waytogoprograms.com)  
[www.waytogoprograms.com](http://www.waytogoprograms.com)

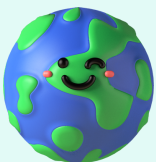

## DESCRIPTION

We learn science in Spanish doing fun, hands-on projects, experiments, videos, activities, and reading materials.

Students will be introduced to science concepts, by having a new experience each time.

### SAMPLE PROJECTS:

- Season tree
- Grow a rainbow
- Wind vane
- Plant growth condition
- Dancing sprinkles
- Structures with candy
- How to make a landscape
- Balloon rocket
- Salt crystals
